Rediscovering Science

**Activity:** Go on a short walk. Pause along the way to closely observe something you find. Answer the following statements and draw what you see.

I notice...

I wonder...

It reminds me of...

Draw a close-up view of what you see.

**Question:** What do you hear? Flip the page over and draw a sound map. Start by putting an X in the middle to represent you. For 5 minutes listen and draw symbols to represent the sounds you hear relative to where you are sitting.
